

Breeder Excellence Continuing Education Participation

To qualify for the Breeder Excellence Continuing Education badge, participants are required to submit proof of continuing education participation. This form is provided to facilitate tracking continuing education participation and the specific categories of the continuing education.

Applicants must complete at least **20 hours** of Board approved continuing education or at least **12 hours** of continuing education and **proof of membership** in a relevant association for all individuals listed on the original license application. A separate breeder excellence continuing education participation form must be completed for each individual.

Note: Granting continuing education credit hours for the Breeder Excellence is at the discretion of the Minnesota Board of Animal Health.
