		If Yes, did the person clean and disinfect his/her vehicle before returning to your premises?
		If Yes, did the person change outer clothes before returning to your premises?
		If Yes, did the person disinfect footwear or change into footwear dedicated to this premises upon return?
Biosecurity Risk Factors		
5		Are you enrolled in the FAST Eggs Plan? If yes, date of last audit: _____
6		Have migratory waterfowl been seen on the ground or water within 0.62m (1 km) of your buildings containing poultry in the last 21 days?
7		Have free flying birds been observed in the chicken houses in the past 21 days?
8		Is feed protected from exposure to feces from wild birds, waterfowl, rodents and/or wild mammals?
9		Is water protected from exposure to feces from wild birds, waterfowl, rodents and/or wild mammals?
10		Carcass disposal by rendering?
		Carcass disposal by composting?
		Carcass disposal by burial?
		Carcass disposal by incineration?
11		Do you dispose of dead birds from other farms? If yes, from where: _____
12		Have you introduced chicks onto this farm in the last 21 days?
13		Did any birds move off this farm and then return to the farm (e.g., markets, shows, farmers' market, fair) in the past 21 days?
Trace Back Information		
14		Eggs moved onto the farm in the last three weeks? If yes, from where/address: _____
15		Live birds moved onto the farm in the last three weeks? If yes, from where/address: _____
16		Feed moved onto the farm in the last three weeks? If yes, from where/address: _____
17		Litter or bedding moved onto the farm in the last three weeks? If yes, from where/address: _____

18			Manure removal people and equipment moved onto the farm in the last three weeks? If yes, from where/address: _____
19			Catch/vaccination/beak trim crews entered the farm in the last three weeks? If yes, from where/address: _____
20			Non-company visitors to the farm in the last three weeks? If yes, from who/address: _____
21			Rendering truck moved onto the farm in the last three weeks? If yes, from where/address: _____
			Did the driver leave the vehicle while on this premises?
			Did the driver wear outer clothes and foot wear?
22			Veterinarian entered the farm in the last three weeks? If yes, from who/address: _____
23			Veterinary consultant entered the farm in the last three weeks? If yes, from who/address: _____
24			Service person entered the farm in the last three weeks? If yes, from who/address: _____
25			Buyer/dealer entered the farm in the last three weeks? If yes, from who/address: _____
26			Other poultry producer entered the farm in the last three weeks? If yes, from who/address: _____
27			Friends/neighbors entered the farm in the last three weeks? If yes, from who/address: _____
Trace Forward Information			
28			Eggs moved off of the farm in the last three weeks? If yes, from where/address: _____
29			Live birds moved off of the farm in the last three weeks? If yes, from where/address: _____
30			Feed manufactured on the farm moved off of the farm in the last three weeks? If yes, from where/address: _____
31			Manure or litter moved off of the farm in the last three weeks? If yes, from where/address: _____
32			Farm personnel or equipment used for catch/vaccination/beak trim moved off of the farm in the last three weeks? If yes, from where/address: _____
33			Carcasses moved off of the farm in the last three weeks? If yes, from where/address: _____
