Veterinary Health Certificate Addendum
Minnesota Commercial Dog or Cat Breeders

Breeder name:

Animal Information					Vaccinations		Brucellosis Tests			
Species	Breed	Description	Age	Identification	Product	Date	Test Type	Lab	Collection Date	Result

I certify, as a Minnesota-licensed veterinarian, that I inspected the described animals on the date indicated on this certificate and that they had no signs of infectious or contagious diseases at the time of inspection. To the best of my knowledge, the information on this certificate is accurate. No warranty is made or implied.

Date inspected:

Veterinarian signature:

(In addition to this document, an Official Interstate Certificate of Veterinary Inspection is required to accompany dogs or cats that are moved to another state.)
