

## Registration Application Farmed Cervidae

A person may not possess live cervidae (deer or elk) in the state unless the person is registered with the Board. (1721.0380)

"Cervidae" means animals that are members of the family Cervidae and includes, but is not limited to, white-tailed deer, mule deer, red deer, elk, moose, caribou, reindeer, and muntjac. "Farmed cervidae" means cervidae that are raised for any purpose and are registered in a manner approved by the board. Farmed cervidae are livestock and are not wild animals for purposes of game farm, hunting, or wildlife laws.

To register a farmed cervidae herd, (1) complete this registration application, (2) complete an inventory report and (3) mail both forms to the Board of Animal Health along with a check for the annual inspection fee. As of July 1, 2019, the fee is \$500 for producers that manage their herd for profit or monetary gain, engage in transaction or exchanges for consideration, sell the ability to shoot animals in the herd, or if the herd consists of more than one species. The fee is \$250 for all other herds. The farmed cervidae facility must then be inspected by the Board of Animal Health to verify compliance with Minnesota Statutes 35.155 and Minnesota rules 1721.0370 to 1721.0420.

| Facility Information | Owner/manager Information |
