

## Exhibition Requirements for Chickens, Turkeys and Game Birds

*Waterfowl and pigeons do not have any exhibition requirements*

### Identification

- All chickens, turkeys, and gamebirds at exhibitions, except baby poultry, must be individually identified with a leg or wing band with a number on the band. The band may also include other letters such as names/initials.
  - Hatching eggs and young poultry that are too small to band can be exhibited as a group if the Hatchery Permit number or National Poultry Improvement Plan (NPIP) number is written on the cage, box or enclosure.

### Poultry Testing Requirements

- All chickens, turkeys, gamebirds, and hatching eggs from these birds must originate from a hatchery or breeding flock that is NPIP Pullorum-Typhoid (PT) Clean or be negative to a pullorum-typhoid test within 90 days prior to the opening date of the exhibition.
  - Turkeys cannot be tested same day. Blood must be sent to an approved lab prior to sale.
- All chickens, turkeys, gamebirds, and hatching eggs from these birds must be accompanied by a certificate or test chart that shows compliance with the requirements above. Examples include: Statement of Origin, pullorum-typhoid test report (Rapid Whole Blood Test Reporting Form or Laboratory Report), Hatchery Permit Card, NPIP VS FORM 9-2, NPIP VS FORM 9-3, and NPIP VS FORM 9-31\*
- If a test chart is used to demonstrate compliance, the band number on the bird must match the test chart.

**POULTRY EXHIBITION STATEMENT OF ORIGIN**

In the State of Minnesota, all chickens, turkeys, game birds, and hatching eggs from these birds must meet the following requirements at exhibition:

- Be individually identified with a leg or wing band;
- Originate from a National Poultry Improvement Plan (NPIP) classified Pullorum-Typhoid (PT) Clean hatchery or breeding flock; or be negative to a PT test within ninety (90) days prior to exhibition;
- Be accompanied by a certificate or test chart approved by the Minnesota Board of Animal Health to show compliance with these requirements;
- All birds from another state must also meet Minnesota Import Requirements
  - Import requirements can be found at <http://www.mn.gov/bah/imports>

I hereby attest that the poultry exhibited by me in Minnesota (check one):

have originated from a hatchery or breeding flock that is classified as NPIP Pullorum-Typhoid Clean.
